MATERNAL FETAL MEDICINE OF CENTRAL PENNSYLVANIA

Maternal Fetal Medicine of Central PA provides each patient with personal attention to obtain the best possible pregnancy outcome. The evaluation of each pregnancy utilizes state of the art diagnostic and therapeutic services.

SERVICES

Maternal Fetal Medicine of Central PA is accredited by the American Institute for Ultrasound in Medicine. (AIUM)

- ◆ First Trimester Screening
- ◆ Ultrasound Assessment of the cervix
- ◆ Genetic Ultrasound
- ◆ Prenatal Genetic Diagnosis
- ◆ Fetal Echocardiography
- ◆ 3D/4D Ultrasound
- ◆ Advanced Obstetrical Surgery
- ◆ Limited Private Delivery Practice
- ◆ Availability of regional fetal surgery centers and pediatric specialty consultations

Perinatal sonographers, genetic counselors, perinatal nurses, and physicians work together in a multi-disciplinary approach in the management of high-risk pregnancies.

MEDICAL STAFF

Maternal Fetal Medicine of Central PA has 4 perinatal nurses, 9 perinatal sonographers, and 3 certified genetic counselors to assist in patient care. Area pediatric cardiologists regularly come to our office to perform fetal echocardiography.

PEDIATRIC CARDIOLOGISTS

Howard Weber, M.D., FAAC, FSCAI

Professor of Pediatrics, Assistant Chief of Pediatric Cardiology—Children's Heart Group, Hershey Medical Center

MFM Fellows

3rd year — Jim Barber, DO
2nd year — vacant
1st year — Lisa Thiel, DO

FELLOWSHIP PROGRAM

The Maternal Fetal Medicine Fellowship Program is dedicated to teaching family-centered patient care, supporting and facilitating clinical research, and training future leaders in perinatal healthcare. We pledge to meet and exceed the American Osteopathic Association's training requirements, provide faculty that are specialists in perinatal medicine and provide a competency-based experience for MFM Fellows.
